

OCEANFRONT SUB-PENTHOUSE 3 BEDROOM!

901, 47 Mooloolaba Esplanade, Mooloolaba

The family have grown up and new adventures await our Vendors as their apartment has produced wonderful family memories over the years! Now you have the opportunity to build your very own memories too!

This spacious 9th level, three bedroom, 2 bathroom (Master has an ensuite), oceanfront apartment is more like a modern-day family home, fronting one of Australia's best north-facing beaches.

The level 9, type '01' design, is considered to be the best in the complex for families because you are only a short lift ride to the complex's amenities plus you are protected from the fierce westerly sun all year round. The real advantage is the open plan design which is filled with natural light from the windows down the side of the apartment.

The only thing missing is you and your family, so live in style, today!

Inspections by appointment only. See you at the Beach Today!
