

CHAMPAGNE LIFESTYLE ON A BEER BUDGET!

32 River Esplanade, Mooloolaba

Here's your chance to secure the premier apartment in the popular 'Nautilus' complex, just metres from Mooloolaba Beach. Ideally located at the very end of the building, this top floor apartment boasts a light & airy feel with permanent ocean & river/marina outlooks.

Featuring the bonus of a large & private roof top entertainment area incl. BBQ, spa & balconies front & rear, one would be wise to inspect ... especially considering the low price & limited number of 2 bedroom penthouse apartments so close to Mooloolaba beach. Call Michael anytime, viewings subject to availability.
